

“YEAR AFTER YEAR A LATENT ROMANCE  
RESUMES BETWEEN MAN AND GRAPE.”

*Veritas is all about having a great time with food and wine. We hope the wines in this book help you to do that. Park B. Smith, the restaurant's owner, opened his personal wine collection to us from which we draw our reserve list. Our wine team has organized and added to that list. In addition, we have created a fun and exciting market list.*

*We could have picked a few dozen wines that we thought paired well with Chef Grégory Pugin's food; but that would be just our opinion. We decided to approach our wine program from a "let's have a little bit of everything" basis. Our goal is not to fill in the holes, but rather to find wines that we like and feature them. Some of these wines are available in only very small quantities. Some will only be available here at Veritas. Some are wines that you, and we, already know and enjoy.*

*We know the list is extensive. We've tried to make it as user-friendly as possible. We've also tried to make our staff as wine-friendly as possible. If you'd like some guidance, please ask for one of us. We would love to give you a hand and introduce you to something new, different, and exciting, or to help you find a wine that you already know and want to enjoy again.*

*Thank you,*

***Rubén Sanz Ramiro, Sommelier***  
***Alexandria Cabbage, Sommelier***

**A Letter From Park B. Smith:**  
*In Celebration of Châteauneuf-du-Pape*

*As honorary mayor of Châteauneuf-du-Pape, I am thrilled to announce that Veritas will be holding a celebration featuring the finest wines of the region at remarkable prices. The best Châteauneuf-du-Pape are heralded by Robert Parker as having a “texture—rich and round, sumptuous and opulent—virtually unmatched by most of the wines of the world.” I agree completely with Mr. Parker that “the greatest appeal of Châteauneuf-du-Pape, beyond its food-friendly qualities, expansiveness, generosity of flavors and sumptuous texture, is the almost addictive attraction of its combined intellectual and hedonistic elements.” It is for this reason that while I have one of the finest and most diverse wine collections in the world, I now buy and drink almost exclusively Châteauneuf-du-Pape. After all, I am in love, and in these troubled times, I am more eager than ever to share my passion with you. Come to Veritas and enjoy a rare Châteauneuf-du-Pape at unheard of prices. These wines, combined with the food of Chef Grégory Pugin, either in the restaurant or, for the first time, at the bar with selections from our prix-fixe menu, will provide you with an unforgettable experience that is certain to lift your spirits.*

*--Park B. Smith*
